CANOE AND KAYAK RACE

Saturday, April 30 – 8:00am!!!!

Start: Hammel Machine, 1195 E Wisconsin Ave, Pewaukee
 Finish: Frame Park, Waukesha at the tower

The 38th Annual Pewaukee RiverRun is **Saturday, April 30th**! The timed race starts at 8:00am! Registration from 6:30am to 10:30am. Starting times are assigned on a first-come basis for ALL participants, including those *preregistered*.

This is our 38th year and that's a lot of water over the dam. So it's time to recall if you ever went back last year to pick up your buddy. You'll need the usual stuff plus whatever you forgot last year. Here's some help: a partner, dry clothes (at finish), dry bags, life jackets (WI law), energy bars, bottled water, dry shoes, and an extra paddle.

Other stuff: Rental canoes **will be** available from Tip A Canoe (262) 342-1012 (not affiliated with the Kiwanis Club). Entrants are responsible for their own transportation between the start and finish line (except rentals). You must have your own pick-up vehicle at the finish. The 6-mile race takes the average canoeist about 2 to 2½ hours to complete, unless you stop for beer, have a picnic, lose a paddle, or ask for directions. Hot food and beverages will be sold at the finish. And there'll be a roaring fire waiting for you to dry the back of your pants.

Entry Fee: \$30 per boat **ON RACE DAY** includes buttons for everyone in your boat.

Preregister* and Save \$5: Use this form or print one from our website (see below). Preregistered entries will be assigned start times on race day.
 No refunds on preregistration.
